1. Attached are proposed FY 1967 and FY 1968 Cost Reduction Plans for the Office of Special Activities.

25X1A1a

With the exception of the closure of the and the 10% reduction in travel, we believe the cost reductions identified do not involve optional activities but represent serious cuts in vital programs. For this reason we should like to discuss them with the DD/S&T before we take the steps necessary to actually put them into effect.
